

4 Inch Exhaust Rain Cap

Welcome to Lystus Technical, your trusted supplier, distributor, and importer of high-quality exhaust accessories. The 4 Inch Exhaust Rain Cap is designed to protect exhaust systems from rain, debris, and other environmental elements, ensuring optimal performance and longevity.

Description

The 4 Inch Exhaust Rain Cap is a durable and reliable solution for safeguarding your exhaust outlets. Manufactured with high-grade materials, it is engineered to withstand extreme weather conditions, including rain, snow, and high winds. The cap automatically opens to release exhaust gases when in operation and seals shut when idle, preventing water ingress and debris accumulation.

Key Features

- Weatherproof Design: Protects exhaust outlets from rain, snow, and other environmental factors.
- Automatic Operation: Opens and closes seamlessly with exhaust flow.
- High Durability: Made from corrosion-resistant materials for long-lasting use.
- Universal Fit: Suitable for most 4-inch exhaust systems.
- Easy Installation: Quick and hassle-free mounting process.

Technical Specifications

- Material: Heavy-duty steel or aluminum (corrosion-resistant)
- Size: 4-inch diameter
- Operation: Automatic hinge mechanism
- Finish: Powder-coated or polished finish for enhanced durability
