

TXT Beam Clamp - Model TBC, 6 Ton

Product Description

The TXT Beam Clamp Model TBC, with a 6-ton working load limit (W.L.L), is an essential tool for lifting and securing heavy loads in industrial environments. Designed for reliability and efficiency, this clamp provides a secure solution for lifting and suspending heavy loads and is compatible with various I-beams, girders, and structural steel elements. Certified to CEGS standards, the TBC Beam Clamp is ideal for professionals who prioritize safety and quality in lifting operations.

Product Details

SKU: 3626693

Brand: TXT

Unit: Pc(s)

Barcode Type: C128

Available at: Altools Services

Category: Industrial Lifting Equipment

Sub-Category: Beam Clamps & Connectors

Manage Stock: Yes

Reorder Quantity: 2.0000

Expires In: Not Applicable

Applicable Tax: None

Selling Price Tax Type: Exclusive

Product Type: Single

Key Features

- Heavy-Duty Capacity: Supports up to 6 tons for demanding applications.
- CEGS Certified: Complies with rigorous safety standards.

- Adjustable Jaw Opening: Fits various beam sizes and widths.
- Secure Grip: Prevents slippage for stable lifting.
- Durable Construction: High-grade steel for long-lasting use.
- Easy Installation: Reduces downtime with simple setup.

Technical Specifications

Model: TBC

Working Load Limit (W.L.L): 6 tons

Certification: CEGS

Material: High-grade steel

Jaw Opening: Adjustable for various I-beams and girders

Finish: Corrosion-resistant coating

Applications

- Construction: Ideal for hoisting and securing materials on-site.
- Manufacturing: Used for lifting heavy equipment or raw materials.
- Warehousing and Logistics: Securely suspends and moves bulky items.
- Rigging Operations: Ideal for confined space lifting tasks.

About the Seller

Lystus Technical Nig Limited is a trusted provider of high-quality lifting equipment and industrial solutions, offering the TXT Beam Clamp Model TBC. Known for our dedication to quality, safety, and reliability, we supply top products that meet the demands of modern industries. Our catalog includes various industrial tools designed to enhance productivity and ensure safety. Reach out to us today to discover how our products can support your projects.
